

Co-Curricular Transportation Policy

COVID-19 Adaptations (2020.21)

In light of the current COVID-19 pandemic, the Central Wisconsin Christian Athletic Committee has adopted the following temporary adaptations to our transportation policy. These will be in place for the Fall season and re-examined by the committee in October to determine needs for the winter period.

TRANSPORTATION TO AN EVENT:

Central Wisconsin Christian will provide transportation **to** all scheduled events. All seating will be assigned and participants will be temperature screened prior to boarding. Parents who choose to transport their child (only parents may transport) to the event must complete the pre-event transportation form and have it to the office no later than 3PM or 30 minutes prior to departure, whichever is earlier. Coaches/advisors will inform you of the arrival time at which they want the students on site for the event. Students are **not** allowed to self-transport unless the event is happening in their home town.

TRANSPORTATION FROM AN EVENT:

We see maximum benefit in a team/group being together after an event for the purpose of team building and reflection. However, there are times where it makes more sense for a student to go home with a parent due to proximity, etc. There are three options for transport from an event:

- 1) Ride CWC-provided transportation
- 2) Ride home with a parent – this requires the student and the parent to sign the Transportation Release form that coaches/advisors have with them at the event. This is signed after the completion of the event.
- 3) Ride home with an adult other than the parent – this requires pre-approval via our Third-Party Transportation Form, which is due to the office no later than 3PM or 30 minutes prior to departure, whichever is earlier. Please note that this form requires four signatures: student, parent, third-party driver, and Athletic Administrator approval.

PARENT EVENT TRANSPORTATION

This is to certify that _____ Student _____ will be transported by a parent for the _____ Sport/Activity _____ at _____ Site of Event _____ on _____ Date _____.

- We will transport our child to the event by the time specified by coach/advisor.
- We will transport our child home from the event after it is completed.

I understand that Central Wisconsin Christian requires student-athletes to ride school-provided transportation to and from all athletic events. This departure from the transportation requirement for student-athletes will release the school from all liability for any adverse results which may occur. I agree to release Central Wisconsin Christian from all liability with any reference to the above-stated transportation. Dishonesty in signing this form will result in a one-game suspension for the student-athlete.
