Dear Partner,

Things are off and running as we prepare for the 2023 Harvest Auction to support the work of Central Wisconsin Christian School. For many years you have been one of our valued partners in contributing to our auctions. We have greatly appreciated your generous donations and support of the work we do at CWC. This year's *Wild, Wild West* event on Friday, September 22nd will give our attendees an opportunity to dress up, have fun, and enjoy a great night of celebration and giving. We would love to have you not only donate as a partner but also come and join us for this year's event and share in the fun. If you can't attend in person, you can participate and bid online!

You play an outstanding role as a supporting business partner by providing items or donations. **This letter serves as an initial contact with you to inform you of what is happening and to let you know that committee members are starting their contact process to request a donation for this year's event.** Our goal with the Harvest Auction is to put together a fabulous evening of entertainment and excitement, and the best ever auction list in the history of Central Wisconsin Christian.

The hub of information for this year's event is located at www.cwcauction.com. There you can watch the list grow as items are submitted. There is also the ability for you to submit your own donation by utilizing the donation tool located on the right side of that page.

Central Wisconsin Christian provides a Christ-centered education to a record enrollment of more than 525 preschool-12th grade students at our unified campus in Waupun. Our students come from more than 50 churches and a dozen denominations, while our alumni have become valuable parts of businesses and communities throughout Wisconsin and the entire country.

Again we thank you for your long-standing partnership with us at CWC, and we look forward to many years of continuing to work together for this important work. If you have any questions, feel free to contact the either Kim Greenfield or Gregg Zonnefeld in the Advancement Office at school at 920.324.4233.
